CHAMBERLAIN'S COLIC, CHOLERA
AND DIARRHOEA REMEDY

This is a medicine that every family
should be provided with. Colic and
diarrhoea often come on suddenly and
it is of the greatest importance that
they be treated promptly. Consider
the suffering that must be endured
until a physician arrives or medicine
can be obtained. Chamberlain's Colic,
Cholera and Diarrhoea Remedy has a
reputation second to none for the
quick relief which it affords. Obtain
it everywhere.—Adv. d&w

Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed,
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
deafness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever. Nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condi-
tion of the mucous surfaces.

We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure.
Send for circulars. "J. C. HENNEY & CO., Toledo, Ohio."
Take Hall's Family Pills for constipation.

our best stoves away free. You may
be the lucky one. Come in and see us.

When You Buy a
DIAMOND?

Minute differences in color,
cutting, brilliancy and clear-
ness effect the value of a
diamond to such a degree
that its purchase by one
without experience is most
difficult and the selection,
for the most part, must in
any case be left to the
dealer.

For this reason it behooves
one to be most careful in de-
ciding the question: From
whom shall I buy my dia-
mond?

First of all, "The dealer must
be reliable."

Second: "The dealer must
be in a position to buy to the
best advantage."

Third: "The price must be
right." "Investigate."

**HERMAN'S
U.S.
ARMY
SHOE**

This new style, "The Munson",
named for Surgeon Major Munson
of the Army shoe board that spent
four years developing this most
comfortable shoe in the world. It
is required to be worn by every
soldier from private to General.

MUNSON LAST

Lt. Townsend Whelen, U. S. A., a world-wide
authority on equipment for outdoor men,
says the new army shoe on the Munson last
is the only perfect shoe made.

It is guaranteed for service as well as for
pleasantness and comfort.

In the official tests, 379 men marched continually
for 9 days, covering 8 to 17 miles daily without
rest, marching 120 miles all told, without de-
veloping a single case of sore feet although
each soldier carried the full field equipment
weighing nearly 70 pounds.

The Price in Black or Tan is \$5.00
